

Eleventh Annual
spring
B. A. S. H.
Building A Superior Hospital

B.A.S.H. 2026 Sponsorship Opportunities

For this year's Spring B.A.S.H., we are focusing on our foundational pillars, which are designed to effectively meet healthcare needs based on available resources and community needs.

Workforce: This pillar strengthens local healthcare by supporting both the current and future workforce through scholarships and an Employee Assistance Fund.

Programs & Community: A pillar focused on expanding behavioral health in response to urgent local needs, the Sexual Assault Forensic Nurse program at Middle Park Health, and expanding women's health programs.

Capital: The Capital pillar focuses on replacing an outdated external MRI with a modern, internal system to strengthen and expand specialty care at Middle Park Health.

June 6, 2026, Headwaters Event Center, Winter Park, CO

Join us for a fun evening of celebration with great music, great company, and great collaboration that keeps us humming. The fun happens when 220 hospital supporters, donors, corporate and community leaders, and volunteers unite in support of our local hospital. The Middle Park Medical Foundation **Building A Superior Hospital** (B.A.S.H.) is the time to reconnect with friends and make new acquaintances. This is truly the gala benefit of the season!

Sponsors are the backbone of the Middle Park Medical Foundation's gala benefit. The phenomenal success of B.A.S.H. each year is due in part to our tremendous sponsors, who go above and beyond to support their local hospital system. A sponsorship for B.A.S.H. 2026 is an excellent way to give back to the community, help us reach our goal, and gain exposure for your business.

Find out how you can extend your brand to new audiences and be a healthcare champion in our community.

Choose from a number of packages, each one designed to give you the most exposure for your contribution. Now's the time to showcase your business to a very captive audience of 220 people.

Contact foundation@middleparkhealth.org or <https://www.middleparkmedicalfoundation.org/events/bash2026/> to learn how you can support local healthcare while bringing attention to your business at this important annual gala.
